Sibu Island Resort is Johor's idyllic island getaway, off the East Coast Of Malaysia. Enter it and you are entering a private world unlike any other, poised to become Malaysia's preferred island holiday destination offer premier off-shore retreat, adventure, corporate teambuilding and spa.

On par with international environmental standards, the island's own desalination plant provides unlimited fresh, clean water for its habitants. Tucked away in a private corner of South China Sea, you can be assured of a sanctuary from the daily pressures with the holistic answer to refresh body and mind, and rejuvenation to the spirit. Three white sandy and seven dreamy islets around the island are just waiting to be explored
